Para bangsawan dan hartawan begitu mendengar kedatangan Bhagava, semuanya akan berebutan mengundangNya......
Tetapi kali ini kenapa malah ada di kebun milik keluarga wanita penghibur?

Di dalam hati Buddha adalah berharap agar semua makhluk dapat seperti diriNya, mencapai KeBuddhaan.

-38-

Buddha Dharma akan tersebar ke seluruh pelosok dunia, hal ini cuma soal waktu saja

Bhagava,
air sungai di sini banyak
bertumpukan sampah,
sehingga airnya
begitu kotor,
di tempat berikutnya
masih terdapat sungai
yang lainnya.

Dia pantas menjadi guru kita, membimbing diriku menuju pencerahan, sungguh sosok yang pantas dihormati, samadhi serupa ini tidaklah mudah.

Di dalam samadhi, kondisi batin anda tidak merasakan lalu lalang pedati dan hujan deras, kilat, petir, juga tidak melihat dan mendengarnya, apakah samadhi sejenis ini bisa disebut sebagai samadhi yang mendalam?

Jasa kebajikanmu amat besar, pasti akan mendatangkan pahala. Jika dapat melenyapkan kemelekatan pada keakuan dan klesa (kekotoran batin), maka kamu juga akan segera mencapai tingkat kesucian.

Suku Malla adalah penduduk sekitar Kusinara

Apakah Bhagava akan memasuki
Parinirvana di Hutan Sala, tempat yang terpencil ini?

Dengan demikian banyak orang yang tidak berkesempatan bertemu dengan Bhagava lagi.

Mohon anda bisa memaklumi, saat kini Bhagava lagi sakit, tidak leluasa bertemu siapapun !

klesa=kekotoran batin

Dengan melenyapkan kemelekatan pada keakuan dan klesa, maka akan terbebas dari penderitaan tumimbal lahir, dengan demikian pencerahan akan diperoleh.

## Gatha Pelimpahan Jasa

Semoga jasa kebajikan ini
memperindah tanah suci para Buddha.
Membalas empat budi besar dan
menolong mereka di tiga alam samsara.
Semoga mereka yang mendengarkan Dharma ini
bertekad membangkitkan Bodhicitta.
Sampai di akhir penghidupan ini,
bersama-sama lahir di Alam Sukhavati.
